BACKGROUND

AMCO SPOON REST

9. Through its creative efforts and desire to establish a unique brand of quality products, AMCO developed a distinctive ornamental spoon rest design as shown in **Exhibit A** to distinguish its product line from those of its competitors ("the AMCO spoon rest").

10. On December 3, 2002, United States Design Patent No. US D465,974 S ("the '974 patent"), entitled SPOON REST, was duly and legally issued for a novel and inventive ornamental design for a spoon rest. A true copy of the '974 patent is attached to this Complaint as **Exhibit B** and is incorporated herein by reference.

11. The '974 patent was duly and legally assigned to AMCO on December 18, 2001 and, since that date, AMCO has been and still is the owner of this patent.

12. AMCO has spent substantial time, money and effort in designing, advertising, promoting and marketing the AMCO spoon rest and its distinctive trade dress. Because of

AMCO's efforts and sales, AMCO has acquired valuable goodwill in this design and trade dress, the AMCO spoon rest has acquired distinctiveness in the minds of the trade and consumers, and the purchasing public associates this trade dress with AMCO as the source thereof.

13. AMCO has and continues to market and sell the AMCO spoon rest, which also embodies the invention of the '974 patent, and such spoon rest has met with widespread commercial acceptance.

14. On information and belief, defendants, subsequent to the issuance of the '974 patent and with full knowledge of AMCO's '974 patent, have been and are still infringing said patent by the unauthorized manufacture, use, importation, offer to sell and sale of articles embodying the ornamental design of the '974 patent, including defendants' "Kuchenprofi Professional" spoon rest shown in **Exhibit C**.

15. On information and belief, with full knowledge of AMCO's trade dress in the AMCO spoon rest, and AMCO's valuable rights thereunder, defendants have deliberately copied AMCO's design and trade dress in an effort to trade off and benefit from AMCO's goodwill and divert sales from AMCO to defendant.

16. On information and belief, despite the unlimited range of configurations and decorative elements available for use with spoon rests, defendants have purposefully adopted a trade dress that features the same decorative elements to create the same visual impression as the AMCO spoon rest trade dress.

17. On information and belief, defendants' accused spoon rest is a deliberate imitation of AMCO's patented spoon rest design of the '974 patent and trade dress. Defendants' accused spoon rest is sold to consumers both nationwide and in the State of Illinois via the world wide web in competition with AMCO's products. On information and belief, defendants' accused

spoon rest is also offered at wholesale and sold to businesses via published catalogs and telephone sales nationwide and in the State of Illinois. Moreover, because defendants' infringing spoon rests are virtually identical in appearance to AMCO's patented design and trade dress, the purchasing public is likely to confuse defendants' inferior infringing product with the AMCO spoon rest or otherwise mistakenly believe that defendants or their accused spoon rest are sponsored by or associated with AMCO. Defendants thereby trade on AMCO's reputation and goodwill and the commercial acceptance of AMCO's original high-quality products.

18. This Court has personal jurisdiction and venue lies in this District because, on information and belief, defendants have shipped and/or contracted to supply the accused spoon rest embodying the ornamental design of the '974 patent and the trade dress of the AMCO spoon rest to consumers nationwide, including consumers located in the State of Illinois and in this District. Defendants' "Kuchenprofi Professional" spoon rest shown in **Exhibit C** is offered for sale via the world wide web at the URL www.kuchenprofi.com and www.kitchenproven.com, as well as at many third-party websites. On information and belief, the www.kuchenprofi.com and www.kitchenproven.com websites are owned and operated by defendants Kuchenprofi Germany and/or Kuchenprofi, Inc. and are designed to allow consumers nationwide to interact and order Kuchenprofi product, including the accused Kuchenprofi spoon rest. On information and belief, upon receipt of an order via the www.kuchenprofi.com and www.kitchenproven.com websites, defendant Kuchenprofi, Inc. ships the desired Kuchenprofi product to consumers nationwide, including consumers in the State of Illinois and this District. On information and belief, defendant Marpac House offers for wholesale and sells the accused spoon rest to businesses nationwide and in the State of Illinois via published catalogs and telephone sales. A copy of Marpac's catalog advertisement of the accused spoon rest is attached hereto as **Exhibit D**. A

copy of Marpac's 2003 Dealer Price List is attached hereto as **Exhibit E**. The accused "Kuchenprofi Professional" spoon rest is identified on page 6 of the catalog and page 2 of the price list as item #10.0225.28.00.

AMCO'S LONG-HANDLED SCRUB BRUSH

19. Through its creative efforts and desire to establish a unique brand of quality products, AMCO developed a distinctive ornamental long-handled scrub brush design as shown in **Exhibit F** to distinguish its product line from those of its competitors.

20. On October 7, 2003, United States Design Patent No. US D480,215 S ("the '215 patent"), entitled BRUSH, was duly and legally issued for a novel and inventive ornamental design for a long-handled scrub brush. A true copy of the '215 patent is attached to this Complaint as **Exhibit G** and is incorporated herein by reference.

21. The '215 patent was duly and legally assigned to AMCO on February 12, 2003, and, since that date, AMCO has been and still is the owner of this patent.

22. On information and belief, defendants, subsequent to the issuance of the '215 patent and with full knowledge of AMCO's '215 patent, have been and are still infringing said patent by the unauthorized manufacture, use, importation, offer to sell and sale of articles embodying the ornamental design of the '215 patent, including defendants' "Kuchenprofi dishwashing brush" shown in **Exhibit H**.

23. On information and belief, defendants' accused dishwashing brush is a deliberate imitation of AMCO's patented long-handled scrub brush design. Defendants' accused dishwashing brush is sold to consumers both nationwide and in the State of Illinois via the world wide web in competition with AMCO's patented long-handled scrub brush products. On information and belief, defendants' accused dishwashing brush is also offered at wholesale and

sold to businesses via published catalogs and telephone sales nationwide and in the State of Illinois. Moreover, because defendants' infringing dishwashing brushes are virtually identical in appearance to AMCO's patented design, the purchasing public is likely to confuse defendants' infringing product with the AMCO long-handled scrub brush or otherwise mistakenly believe that defendants or their accused dishwashing brush are sponsored by or associated with AMCO. Defendants thereby trade on AMCO's reputation and goodwill and the commercial acceptance of AMCO's original high-quality products.

24. This Court has personal jurisdiction and venue lies in this District because, on information and belief, defendants have shipped and/or contracted to supply the accused dishwashing brush embodying the ornamental design of the '215 patent to consumers nationwide, including consumers located in the State of Illinois and in this District. Defendants' "Kuchenprofi dishwashing brush" shown in **Exhibit H** is offered for sale via the world wide web at the URL www.kuchenprofi.com and www.kitchenproven.com, as well as at many third-party websites. On information and belief, the www.kuchenprofi.com and www.kitchenproven.com websites are owned and operated by defendants Kuchenprofi Germany and/or Kuchenprofi, Inc. and are designed to allow consumers nationwide to interact and order Kuchenprofi products, including the accused Kuchenprofi dishwashing brush. On information and belief, upon receipt of an order via the www.kuchenprofi.com and www.kitchenproven.com websites, defendant Kuchenprofi, Inc. ships the infringing Kuchenprofi product to consumers nationwide, including to consumers in the State of Illinois and this District. On information and belief, defendant Marpac House offers for wholesale and sells the accused dishwashing brush to businesses nationwide and in the State of Illinois via published catalogs and telephone sales. A copy of Marpac's catalog advertisement of the accused dishwashing brush is attached hereto as **Exhibit**

D. A copy of Marpac's 2003 Dealer Price List is attached hereto as **Exhibit E**. The accused "Kuchenprofi dishwashing brush" is identified on page 6 of the catalog and page 2 of the price list as item #09.7300.28.00.

AMCO'S ELONGATED SCRUB BRUSH

25. Through its creative efforts and desire to establish a unique brand of quality products, AMCO developed a distinctive ornamental elongated scrub brush design as shown in **Exhibit F** to distinguish its product line from those of its competitors.

26. On October 7, 2003, United States Design Patent No. US D480,219 S ("the '219 patent"), entitled BRUSH, was duly and legally issued for a novel and inventive ornamental design for an elongated scrub brush. A true copy of the '219 patent is attached to this Complaint as **Exhibit I** and is incorporated herein by reference.

27. The '219 patent was duly and legally assigned to AMCO on February 12, 2003 and, since that date, AMCO has been and still is the owner of this patent.

28. On information and belief, defendants, subsequent to the issuance of the '219 patent and with full knowledge of AMCO's '219 patent, have been and are still infringing said patent by the unauthorized manufacture, use, importation, offer to sell and sale of articles embodying the ornamental design of the '219 patent, including defendants' "Kuchenprofi vegetable brush" shown in **Exhibit J**.

29. On information and belief, defendants' accused vegetable brush is a deliberate imitation of AMCO's patented elongated scrub brush design. Defendants' accused vegetable brush is sold to consumers both nationwide and in the State of Illinois via the world wide web in competition with AMCO's products. On information and belief, defendants' accused vegetable brush is also offered at wholesale and sold to businesses via published catalogs and telephone

sales nationwide and in the State of Illinois. Moreover, because defendants' infringing vegetable brushes are virtually identical in appearance to AMCO's patented design, the purchasing public is likely to confuse defendants' infringing product with the AMCO elongated scrub brush or otherwise mistakenly believe that defendants or their accused vegetable brush are sponsored by or associated with AMCO. Defendants thereby trade on AMCO's reputation and goodwill and the commercial acceptance of AMCO's original high-quality products.

30. This Court has personal jurisdiction and venue lies in this District because, on information and belief, defendants have shipped and/or contracted to supply the accused vegetable brush embodying the ornamental design of the '219 patent to consumers nationwide, including consumers located in the State of Illinois and in this District. Defendants' "Kuchenprofi vegetable brush" shown in Exhibit J is offered for sale via the world wide web at the URL www.kuchenprofi.com and www.kitchenproven.com, as well as at many third-party websites. On information and belief, the www.kuchenprofi.com and www.kitchenproven.com websites are owned and operated by defendants Kuchenprofi Germany and/or Kuchenprofi, Inc. and are designed to allow consumers nationwide to interact and order Kuchenprofi products, including the accused Kuchenprofi potato brush. On information and belief, upon receipt of an order via the www.kuchenprofi.com and www.kitchenproven.com websites, defendant Kuchenprofi, Inc. ships the infringing Kuchenprofi product to consumers nationwide, including to consumers in the State of Illinois and this District. On information and belief, defendant Marpac House offers for wholesale and sells the accused vegetable brush to businesses nationwide and in the State of Illinois via published catalogs and telephone sales. A copy of Marpac's catalog advertisement of the accused vegetable brush is attached hereto as **Exhibit D**. A copy of Marpac's 2003 Dealer Price List is attached hereto as **Exhibit E**. The accused

“Kuchenprofi vegetable brush” is identified on page 6 of the catalog and page 2 of the price list as item #09.7200.28.00.

AMCO’S ROUND SCRUB BRUSH

31. Through its creative efforts and desire to establish a unique brand of quality products, AMCO developed a distinctive ornamental round scrub brush design as shown in **Exhibit F** to distinguish its product line from those of its competitors (“the AMCO potato brush”).

32. On October 21, 2003, United States Design Patent No. US D480,878 S (“the ‘878 patent”), entitled BRUSH, was duly and legally issued for a novel and inventive ornamental design for a round scrub brush. A true copy of the ‘878 patent is attached to this Complaint as **Exhibit K** and is incorporated herein by reference.

33. The ‘878 patent was duly and legally assigned to AMCO on February 12, 2003 and, since that date, AMCO has been and still is the owner of this patent.

34. On information and belief, defendants, subsequent to the issuance of the ‘878 patent and with full knowledge of AMCO’s ‘878 patent, have been and are still infringing said patent by the unauthorized manufacture, use, importation, offer to sell and sale of articles embodying the ornamental design of the ‘878 patent, including defendants’ “Kuchenprofi potato brush” shown in **Exhibit L**.

35. On information and belief, defendants’ accused potato brush is a deliberate imitation of AMCO’s patented round scrub brush design. Defendants’ accused potato brush is sold to consumers both nationwide and in the State of Illinois via the world wide web in competition with AMCO’s products. On information and belief, defendants’ accused potato brush is also offered for wholesale and sold to businesses via published catalogs and telephone sales nationwide and in the State of Illinois. Moreover, because defendants’ infringing potato brushes

are virtually identical in appearance to AMCO's patented design, the purchasing public is likely to confuse defendants' infringing product with the AMCO round scrub brush or otherwise mistakenly believe that defendants or their accused potato brush are sponsored by or associated with AMCO. Defendants thereby trade on AMCO's reputation and goodwill and the commercial acceptance of AMCO's original high-quality products.

36. This Court has personal jurisdiction and venue lies in this District because, on information and belief, defendants have shipped and/or contracted to supply the accused potato brush embodying the ornamental design of the '878 patent to consumers nationwide, including to consumers located in the State of Illinois and in this District. Defendants' "Kuchenprofi potato brush" shown in **Exhibit L** is offered for sale via the world wide web at the URL www.kuchenprofi.com and www.kitchenproven.com, as well as at many third-party websites. On information and belief, the www.kuchenprofi.com and www.kitchenproven.com websites are owned and operated by defendants Kuchenprofi Germany and/or Kuchenprofi, Inc. and are designed to allow consumers nationwide to interact and order Kuchenprofi products, including the accused Kuchenprofi potato brush. On information and belief, upon receipt of an order via the www.kuchenprofi.com and www.kitchenproven.com websites, defendant Kuchenprofi, Inc. ships the desired Kuchenprofi product to consumers nationwide, including to consumers in the State of Illinois and this District. On information and belief, defendant Marpac House offers for wholesale and sells the accused potato brush to businesses nationwide and in the State of Illinois via published catalogs and telephone sales. A copy of Marpac's catalog advertisement of the accused potato brush is attached hereto as **Exhibit D**. A copy of Marpac's 2003 Dealer Price List is attached hereto as **Exhibit E**. The accused "Kuchenprofi potato brush" is identified on page 6 of the catalog and page 2 of the price list as item #09.7100.28.00.

Defendants have thereby passed off their goods as those of AMCO, have represented that their goods are of the same quality or standard as AMCO's, and/or have engaged in other conduct which similarly creates a likelihood of confusion or misunderstanding, in violation of 815 ILCS §§ 510/1, *et seq.*

59. On information and belief, defendants' unlawful conduct has caused AMCO to suffer serious economic hardship, has resulted in unjust enrichment to defendants, and has caused and will continue to cause, unless enjoined by this Court, substantial and irreparable damage and injury to AMCO and the public, for which damage and injury AMCO has no adequate remedy at

H. That this Court enter a judgment that defendants' infringement of the '974, '215, '219 and '878 patents is willful and that this is an exceptional case under 35 U.S.C. § 285.
